Bureau of the Mint,

Washington, D. C., July 20, 1899.

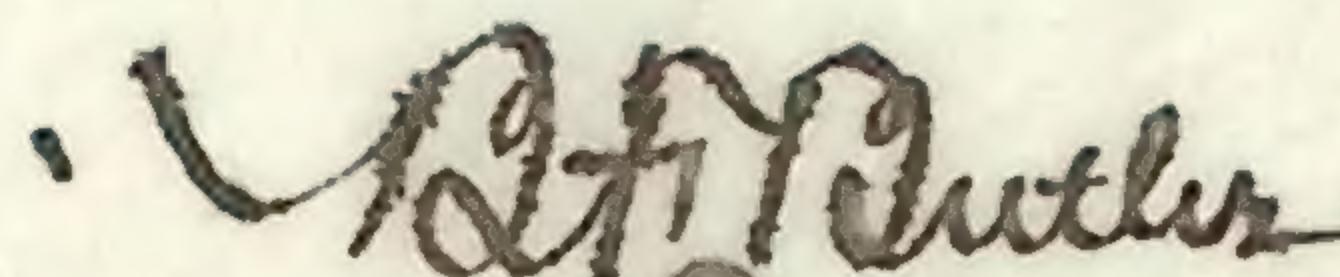

Mrs. G. A. Bartow,  
405 Greenwood Avenue,  
East Orange, N.J.

Madam:-

I enclose herewith two dollars (\$2.00) for the two mutilated and uncirculated gold dollars, forwarded to this Bureau by you, for which you desired the value in silver.

A party in this Bureau expressed a desire to take them at their face value, which is 30 or 40 cents more than you could get for them from the Mint. Therefore, he was allowed to purchase them.

Respectfully yours,

W. F. Butler  
Acting Director of the Mint.
